

DETAILS

PRE-RELEASE

of TOKEN *LK16*

Lucky16 mette a disposizione **100.000.000 di token LK16**.

L'obiettivo minimo è la vendita di 25 milioni di token, con un prezzo di prevendita di **0,02 USDT** per token, che sarà poi quotato a 0,025 USDT.

Chiusura del Prelancio e Allocazione dei Fondi

La fase di prelanco si concluderà al raggiungimento della vendita minima di 25 milioni di token. L'incasso sarà suddiviso in due parti:

- **Quotazione e Marketing:** Part of the funds will be earmarked for the listing of the LK16 token on first- and second-tier exchanges, in addition to marketing activities.
- **Stake&Share/VIP Program:** The other part will be earmarked for the Lucky VIP Programme, which will be launched on the Lucky16 platform within 15 days after the presale closes.

Management of Unsold Units

Unsold tokens will gradually be offered on the exchange as the need arises. The proceeds will be divided into two parts:

- **Stake&Share:** A part will continue to be allocated to the VIP Program.
- **Marketing and Platform Development:** The other part will be used for marketing and to cover Lucky16's operational costs, including the implementation of new features.

Price for Tokens in Advance Sale and Special Founder Packages

During the pre-sale, the price will be 0.02 USDT per token. 100 Special Founder packages will be available:
